# High Customer Satisfaction.

Here's what they say...

What I like about MC is the reliability of the family and staff, ready to help us with any kind of problem. A group leader can't be worried or stressed if working with MC. Hurst is a wonderful place in the middle of the countryside, but not far from important cities so that the programme is rich in cultural visits.

Daniella - Group Leader from Italy, 2014

We spent two wonderful weeks in Hurst and everything went really well with the experienced academic staff in terms of language education. MC was well organised in creating extensive and fun activities every day and able to make my students' days more colourful with the energetic and friendly activity leaders.

Güneş – Group Leader from Turkey, 2015

Thanks MC for all my new friends and for improving my English skills. I'm in love with MC.

Rada - student from Russia, 2015

I wanted to say thank you to everyone that I met at the school, because I had a great time this two weeks and I have never met so many nice people at the same time.

Eduardo - student from Portugal, 2015

Our daughter had spent 14 days in your summer school. She was so happy there and she liked it very very much. She was even sad to come home, because she missed her new friends and the school...and everything. I want to thank you so much for what you do for all these young people.

It's such a good organisation, you have my great respect and my congratulations.

Odile and Robert - parents of Caroline, a student from Luxembourg, 2015

My school has sent our students almost every year since 1989. I like MC because they take good care of us. All the students who took part in MC say that they had a wonderful experience there.

The staff always care about the students' safety. I think it is a warm and comfortable atmosphere to experience summer courses.

Noriko – Group Leader from Japan, 2015
